# **WEEB EW BANK HALL**

## **"The Home of the New York Jets"**

Weeb Ewbank Hall, named in honor of the Professional Football Hall of Fame Head Coach, is the New York Jets' year-round training facility, ticket office and office complex. It has served as the training complex for the players and coaches since 1974 and the overall franchise headquarters since June 10, 1990.

Located on an 8 1/2-acre site on the North Campus of Hofstra University in Hempstead, NY (approximately 25 miles east of Manhattan), the complex provides players, coaches and staff with the necessary components for daily practices, weekly game preparations, and general overall operations in one functional, state-of-the-art setting.

The complex has undergone several renovations throughout its 27-year existence, most recently including the expansion of the training/treatment areas used by the medical training staff.

In 1997 the complex's football operations were completely overhauled when a polymer teflon air support structure was installed over an 60-yard Astro-Turf field. It provides the team with a year-round all-weather, fully lighted facility in which to practice. In addition, the facility installed a new outdoor Astro-Turf field and a new natural grass field replacing the team's former Astro-Turf surfaced field that was installed upon the team's move to the Meadowlands in 1984. The fields, which feature state-of-the-art drainage and watering facility capabilities, allow the team to work outside in virtually any weather condition.

The two-story, 54,000 square-foot building houses all offices and facilities. Located upstairs at the complex are offices for coaches, accounting, video operations, business operations, pro scouting, college scouting and marketing/promotions/community relations. The upstairs also houses an 85-seat auditorium, offensive and defensive meeting rooms, as well as classrooms used for positional group meetings.

The ground floor contains a spacious dressing room area for 70 permanent lockers, the public relations offices, a media work-room, a media studio, a reception area, ticket operations, equipment operations, a modern weight training room, a newly designed training room, mail operations and a players lounge. The locker room also houses a hydro-therapy pool and a sauna.

## LEON HESS

### Chairman of the Board

Leon Hess, in his third decade as owner of the New York Jets, is responsible for rejuvenating an entire football team and its community of faithful fans by hiring Bill Parcells as head coach and chief football operations officer and his staff in February of 1997.

"It's great to have (Bill) Parcells here and running the show," said Hess. "One team, one spokesman, one voice. It's his show. It's his team. We're fortunate to have him. He's been able to put life and discipline into the team."

"He wants to know what is going on," said Parcells of Hess. "He always offers to help and asks, 'Is there anything you need?' It's really nice. He's genuinely excited about the team."

Hess shows his enthusiasm and support by consistently providing the coaching staff, players and front office staff with first-class facilities. He recently oversaw the re-development of the team's office complex at Hofstra University (Weeb Ewbank Hall). Complete with an indoor air supported training center, a new Astro-Turf field, grass field, state of the art training and medical facilities, an overhauled weight room, additional offices and an in-house computer system linking the team with NFL headquarters and the 29 other member teams, the complex provides the team with the necessary amenities to compete in the NFL.

Through the up-and-down times that every NFL club encounters, Hess has continually guided the New York Jets franchise with a sense of integrity and leadership since he has been owner of the team. Never one to seek the spotlight, Hess shies away from the public accolades that have been bestowed upon him for his many contributions in the world of

## **HESS (continued)**

football, the oil industry and in the community. He instead seeks pleasure by watching his football team with its loyal fans.

"I have enjoyed walking along the street and having a cop or fireman come over and say, 'Thanks for bringing Coach Parcells here.' It's a thrill," Hess said.

"One of the most thrilling experiences I've ever had was after the Minnesota victory (beating the Vikings, 23-22, November 23, 1997), to see the fans stand up and applaud and compliment the team in their way. It was one of the most thrilling scenes I've ever gone through. It was wonderful."

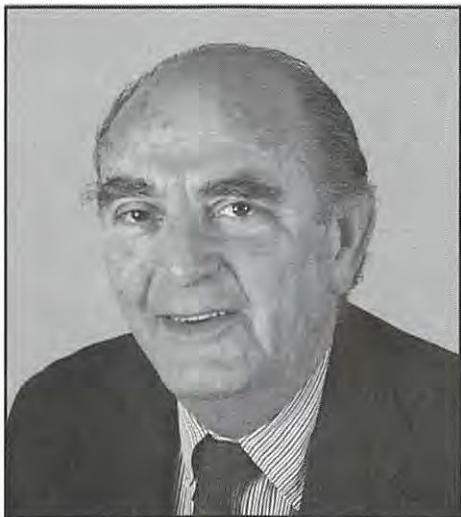

Hess, the long-time Chairman of the Board for the Amerada Hess Corporation, handed over the reins of the company to his son John in 1995, and now holds the title of Chairman of the Executive Committee.

He started building Amerada Hess from his father's two-truck heating oil delivery business during the 1930's, and took over daily operations of the company after serving in the Army during World War II where he was responsible for supplying fuel to General George Patton's troops.

From those humble beginnings he built a multi-billion dollar oil and gas company with refineries located around the world. He has been the sole owner of the Jets since 1984 and has been actively involved in the development of the club since acquiring part of the franchise in 1963.

In 1995, Hess was introduced by Joe Namath as Hess was inducted into the New Jersey Sports Hall of Fame along with Giants owner Wellington Mara, former Giants All-Pro Al De Rogatis and former Rutgers FB Paul Robeson. In 1983, Hess was an honored recipient of the Distinguished American Award at the National Football Foundation and Hall of Fame dinner. He joined an impressive list of past winners including Vince Lombardi, Bob Hope, Jimmy Stewart, Bill Carpenter and Fr. Theodore Hesburgh.

## **STEVE GUTMAN**

President

In the NFL's new era of free agency, salary cap management and revenue sharing, president Steve Gutman has played an important role in the growth of both the New York Jets and the NFL. He made a vital contribution in negotiating the NFL's Collective Bargaining Agreement as a member of the NFL Management Council's Work Group and has long provided that same creativity and long-range vision to the Jets.

Never was it more apparent then when he teamed up with chairman of the board Leon Hess in February of 1997 to install Bill Parcells as head coach and chief football operations officer. Acquiring Parcells was a difficult task, but Hess and Gutman had a solid game-plan.

Under the guidance of Gutman, the team waited patiently for the conclusion of the 1996 season and Super Bowl XXXI. Parcells, then head coach of New England, was involved in a contract dispute with the Patriots and opted out after the season. However, the Patriots wanted Parcells to fulfill contract obligations for 1997 as interpreted by the team.

Gutman embarked on a bold plan for the Jets: install Parcells as a consultant for one year and allow him to take the reins in 1998. In the meantime, Gutman proposed that Parcells' long-time right-hand man, Bill Belichick, become the Jets' new head coach and bring with him key members of Parcells' staff from New England. Thus, it was on February 3, Gutman made just that announcement to a stunned news conference.

When the Patriots protested, NFL Commissioner Paul Tagliabue intervened and both clubs allowed the commissioner to settle the issue. He ruled that the Patriots would receive compensatory draft choices in 1997, 1998 and 1999, but that the Jets would get their man

## **GUTMAN** (*continued*)

on the sideline and in charge a year early. On February 10, Hess and Gutman introduced the new head coach and chief football operations officer.

"Twenty-four highly qualified men called wanting the (head coaching) job," Gutman said at the news conference on February 11 to announce Parcells' installement. "Leon Hess' sights were set on the superstar we wound up with."

Gutman, who works closely with Hess in all aspects of the team, was named president of the club on June 14, 1988. He has been with the Green and White since 1977. The first 11 years were spent serving as the corporate treasurer-secretary and administrative manager. In that role he supervised the daily operation of the club and served on the team's Board of Directors. He also directed all of the Jets' fiscal operations including player contract negotiations, ticketing and marketing. Gutman, succeeding former president Jim Kensil, added the responsibilities of the presidency while still directing all of the fiscal and daily operations of the club.

In addition to the busy offseasons, Gutman also has overseen the renovation of the club's Weeb Ewbank Hall training complex at Hofstra University the past two years.

A long-time respected member of the NFL community, Gutman was appointed by Tagliabue to the Management Council Work Group in 1991. He serves as economic consultant to the Management Council during collective bargaining sessions with the NFL Players Association and has been a member of the players and coaches pension committees. He has also been involved with the NFL Properties Steering committee.

Long an advocate of community involvement, Gutman has been honored by countless charities and community groups for his support. Recently he was honored by the New York Press Photographers as one of their "Good Guys" for his cooperation with the photographers. Additionally, he has received special recognition from the United Way of New York, the American Red Cross of Nassau and Suffolk counties and the Cystic Fibrosis Foundation for his efforts on their behalf. He is also involved in the Jets' annual golf tournament which supports the New York State Troopers Survivors Foundation.

Prior to joining the Jets in 1977, Gutman had extensive experiences as a financial consultant in areas of securities, research, sales, underwriting, investment banking and management. He received his BS in accounting and MBA in corporate finance from New York University. Gutman was born January 24, 1935 in the Bronx, NY. He and his wife Carol have three children, sons Fred and Rob and daughter, Elise.

## **BILL PARCELLS**

### Head Coach

**Head Coach and Chief Football Operations Officer  
2nd Season with Jets/14th as Head Coach in NFL/  
17th in NFL/32nd Coaching**

The improvement was remarkable. From having the worst record in football—in back-to-back seasons of 3-13 and 1-15—the Jets climbed to 9-7 last year, showing one of the biggest improvements in pro football history. It was a direct testimony to their new head coach and chief football operations officer Bill Parcells, a man who had already turned around the fortunes of two football franchises, the New York Giants and the New England Patriots.

In four short years as head coach, Parcells directed the Giants to a Super Bowl championship and added a second title four years later. Then he picked up the struggling Patriots and in another four campaigns drove them to the AFC Championship and Super Bowl XXXI.

Parcells, one of only two coaches in NFL history to have led two separate teams to the Super Bowl, enters the 1998 season as the third winningest active coach with 128 victories, trailing only Atlanta's Dan Reeves (158 in 17 years) and Kansas City's Marty Schottenheimer (142 in 14 seasons). Parcells and Miami's Jimmy Johnson are the only active coaches to have claimed two Super Bowl titles.

While Parcells is pleased with the development of the Jets last season, make no mistake about it. His goal remains the same as it has been in each of his coaching stops: to win the Super Bowl.

"You do everything that you can to try and give the program credibility," he said. "It's about getting your players to compete in all facets of the game. If you can do that you

## **PARCELLS (continued)**

should have a team compete and be in the thick of things."

As the New York Jets 11th full-time head coach, Parcells and his loyal staff of assistants set out in 1997 to turn around the fortunes of an entire organization. And while the goal of Parcells and everyone associated with the team is to reach the pinnacle of the sport by claiming the franchise's second Super Bowl title, a 9-7 record in 1997 helped to re-establish the Jets as an AFC contender.

"I think the players have the right to be fairly proud of what they did (in 1997)," said Parcells. "They showed tremendous improvement as individuals and as a team. I think, that by and large, we played about as well as we could, throughout the season. The games were competitive and the team was in every one until the last five minutes, not many teams can say that."

Under Parcells, the Jets came within one game of equalling their victory total for the past three seasons (6-10 in 1994, 3-13 in '95 and 1-15 in '96). The improvement of eight games tied for the second best all-time just behind the 1929 New York Football Giants and the 1963 Oakland Raiders, both of whom improved by nine wins over their preceding year. The turnaround of a one-win team to a plus eight was accomplished by only Al Davis' nine-game improvement and by current Baltimore head coach Ted Marchibroda, who guided the 1992 Indianapolis squad to 9-7 after a 1-15 season in 1991.

"I enjoyed coaching this team," he said of his 1997 squad. "I enjoyed getting to know these players. I know that the team made progress. I think the players made tremendous strides. Now, we are trying to establish some credibility here. The only recipe I know is to continue to strive to get better, in all facets of the game. We can't stand still, we have to improve."

"I told the players at the end of the 1997 season that we had to continue to improve on what we started in 1997," Parcells said. "I assured them that I would do everything possible to continue to upgrade this team. I told them that nobody could stand still. You either get better or you get worse, it's that simple."

Parcells followed through on his plans not to stand pat. He sought to improve the Jets by signing highly-regarded restricted free agent Pro Bowl RB Curtis Martin off the roster of the New England Patriots and C Kevin Mawae, one of the top young offensive linemen in the NFL. The team also added FB Keith Byars, G Todd Burger, DE Anthony Pleasant and C-G Mike Gisler, in addition to selecting 12 players in the 1998 draft.

"I said from the first day I arrived here that the best way to improve a team was to integrate as many good, young players as possible," Parcells said. "Nobody ever passed a rule that said you couldn't try to get as many good players on your team as possible."

Parcells, 56, came back to the tri-state region where he grew up and which he holds the highest regard. An Oradell, NJ native, Parcells was a member of the first graduating class at River Dell (Oradell) High in 1959, where he starred in basketball, football, and baseball.

"We're all thrilled. I'm very excited and thankful to have Bill Parcells and his staff leading the Jets. I'm thrilled not only for my family and the Jets, but for all the Jets fans," said owner Leon Hess when he introduced Parcells on Feb. 11, 1997.

"He's going to satisfy our fans, bring our team back and have us all at the point where we're proud that we're part of the Jets' family."

"I was born and brought up in Asbury Park, N.J. I even started in the oil business there," Hess said. "Bill Parcells is in love with Sea Girt, N.J. They're eight miles apart. Seventy years ago as kids in the summertime, at low tide we used to have a rake and a little shovel and we'd go in and dig up clams and sell them. The big ones would go for clam chowder

## **PARCELLS (continued)**

at restaurants, and the little ones went to clam bars. We were lucky to make 50 or 75 cents in a day. Little did I think, 70 years later, eight miles away in Sea Girt, would be a Tuna. It's all the same ocean. Little did I think the good Lord would favor me in life and I could marry that Tuna."

"This is my home," said Parcells. "There is something special about doing your job where you grew up, where you're comfortable and where you have great support."

During his 13 seasons as an NFL head coach, Parcells is 128-92-1, including victories in Super Bowls XXI and XXV with the New York Giants and an appearance in Super Bowl XXXI with the New England Patriots. His teams have finished in either 1st or 2nd place eight times in his 13 years.

"I view this as a consummate challenge and hopefully I can revitalize this franchise to the point where we can compete for the championship," Parcells said at his hiring. "Every place I've been, that's been my goal, to try and compete for the championship and instill in the players the pride to try and do that."

Parcells inherited a Patriots team that went 2-14 in 1992 and, within two years, helped guide the team to a 10-6 mark and its first playoff game in eight years. Then, in his fourth year, the Patriots went 11-5, good for first place in the AFC East and a first round playoff bye, setting up two home playoff wins that put them into the Super Bowl against Green Bay. That accomplishment established Parcells along with Don Shula (Miami & Baltimore) as one of only two coaches to lead different teams to Super Bowls.

In his previous head coaching tenure with the New York Giants, Parcells took over a 4-5 team from the strike-shortened 1982 season and, following a 3-12-1 campaign in 1983, enjoyed a remarkable run of 9, 10, 14, 10, 12, and 13-win seasons between 1984 and 1990 that saw the Giants win two Super Bowls, three division titles, and have only one losing year. Parcells won NFL Coach of the Year honors in 1986 and 1989.

Prior to engineering a championship football atmosphere in New England, Parcells spent two years as an analyst for NBC Sports, serving in roles ranging from studio host to color commentator. Given medical clearance by his physicians, Parcells resumed his coaching career in New England, on January 21, 1993.

After a playing career that included stops at Colgate and Wichita State University, he began his coaching career in 1964 as a defensive assistant at Hastings College (NE). He returned to Wichita State in 1965 as a defensive line coach before coming back east to coach at Army. After four years at West Point (1966-69), Parcells left for stints at Florida State, Vanderbilt and Texas Tech. His first head coaching position came at the Air Force Academy in 1978. It was then on to the NFL, as Parcells joined Ray Perkins' staff with the Giants as an assistant in 1979. He moved briefly for one season to the Patriots in 1980 as linebackers' coach on Ron Erhardt's staff before returning to the Giants as defensive coordinator and linebackers coach, the position he held until taking over as head coach in 1983.

Born August 22, 1941, in Englewood, NJ, Parcells recently built a house in Sea Girt, NJ. He and his wife, Judy have three daughters—Suzy, Jill and Dallas, and two grandchildren, Kyle and Kendall.

One of the premier defensive architects in the NFL, Belichick begins his 2nd year orchestrating the Jets' defensive unit...under Belichick in 1997, the Jets defense—which switched to a 3-4 alignment before the 2nd game of season—surrendered only 278 points, tying for the 2nd fewest in the AFC and tied for 6th in the NFL...the average of 17.9 points a game tied for the 3rd fewest in club annals with the 1981 defense (bettered only by the 1993 defense, which allowed 15.4 points a game and the 1985 defense, which allowed 16.5 points a game)...the points allowed marked an improvement of 10.5 points from the 1996 defense...in addition, the Jets defense had a hand in 25 take-aways (18 INT and 7 FR), while also scoring 4 TD (Otis Smith 3 INT returns and Mo Lewis 1 INT return)...the 1997 Jets defense also recorded a 1st in team history as CB Aaron Glenn was voted as a starter to the AFC Pro Bowl squad, the first CB to earn that honor...was named the team's asst. head coach/secondary coach on Feb. 10, 1997...on 2/3/97 Belichick was named the head coach of the Jets and Bill Parcells, who was involved in a contract dispute with the NE Patriots at the time, was named a consultant to the team...following the intervention of Commissioner Paul Tagliabue, it was ruled that the Jets would compensate the Patriots for the services of having Parcells coach the team in 1997...Belichick, who compiled a 37-45 record as head coach of the Cleveland Browns (1991-95), has earned the reputation of producing strong units, especially late in games...(over the course of the past 2 seasons his defenses are 16-1 when leading after 3 quarters)...trademarks of his defenses include big hits, interceptions and playmakers...in 1996, he was named asst. head coach/secondary coach of the NE Patriots and helped guide the team to the AFC Championship and Super Bowl XXXI vs. the Green Bay Packers...the Patriots defense was the 2nd stingiest AFC unit in the red-zone, allowing

TD just 42.3% of the time...in addition, NE's defense tied for 2nd in the AFC with 34 take-aways...when named head coach in CLE on 2/5/91, Belichick became the youngest head coach in the league (38 at the time)...he led the Browns to a 1994 Wild Card win over NE...in 1991, improved the team from 3-13 team to 6-10 team, losing 6 games by a combined 17 points...that team surrendered just 18 turnovers, which set a franchise record and was just 4 shy of the NFL record of 14, set ironically enough, by the Bill Parcells-led NYG of 1990...the Browns led the AFC with a +15 give-away/take-away ratio (a turnaround from a league-low—24 in 1990)...posted 7-9 records in 1992 and 1993 before posting the 2nd best record in the AFC in 1994 (11-5)...CLE's defense allowed the fewest points in the league that season (204), while the offense posted 340 points and allowed a league-low 14 sacks and earned Belichick Coach of the Year honors from the Touchdown Club of Washington, D.C...CLE's 1995 campaign was short changed on Nov. 7 when owner Art Modell announced that he was moving the team to Baltimore following the season, and Belichick's troops were unable to overcome the off-the-field distractions that came with the impending move...the team's 3-1 start ended in a 5-11 record...began his coaching career as a 23-year old in 1975 as a special asst. to then Baltimore head coach Ted Marchibroda...joined Detroit's staff in 1976 as assistant special teams coach and took over the Lions' TEs and WRs...departed for Denver in 1978 where he served as the asst. special teams coach and asst. to the defensive coordinator...was appointed the NYG's defensive assistant and special teams coach on Ray Perkins staff in 1979 and following the 1980 season added the responsibility of coaching the team's LBs from 1981-82 under then defensive coordinator Bill Parcells...when Parcells was named head coach of the Giants in 1983, Belichick began coordinating the defense and continued to instruct what would become one of the most dominant LB corps in the history of the NFL...was officially appointed defensive coordinator in 1985 and held that role until he departed for his head coaching duties in CLE...graduated from Wesleyan University (CT) with a degree in economics...was a 3-sport standout (football, lacrosse and squash)...on the football field Belichick played C and TE for the Cardinals and earned 3 varsity letters...served as his lacrosse team's captain his senior year...attended Annapolis (MD) H.S., where he was enshrined in the school's hall of fame...his father, Bill Sr., was a long-time assistant football coach at the Naval Academy. ...attended Phillips Academy in Andover, MA before enrolling at Wesleyan...while in CLE, he and his wife, began the Bill and Debby Belichick Charity Foundation and raised over \$125,000 in just over 3 years for the Zelma George Home (a shelter for homeless women and children)...born in Nashville, TN...has 3 children, Amanda, 13, Stephen, 11 and Brian, 6.

## 1997 GAME-BY-GAME SUMMARY

### NEW YORK JETS 41 at SEATTLE 3 (53,893)

**GAME ONE – Seattle Kingdome, August 31, 1997 - Indoors.** The Jets got the Bill Parcells' era off to an impressive start with a solid 41-3 victory over the Seahawks in Seattle. It was the largest margin of victory for the franchise on opening day and the 41 points matched the highest scoring total in club history on opening day registered twice before. It was truly a team victory as the Jets played well on offense (434 yards), defense (allowed only 3 points and 247 yards) and special teams (1 55-yard FG). QB Neil O'Donnell set a personal high with 5 TD passes as he completed 18-25-270-0 INT-5 TD and wasn't sacked. Jeff Graham and Wayne Chrebet each caught a pair of TD passes and TE Kyle Brady had one. Adrian Murrell led the ground attack, which racked up 164 yards, with 24-131. The defense brought the pressure on Seattle's John Friesz and Warren Moon all afternoon (only 17-42-1 INT and 163 yards combined) and distinguished itself with a pair of 1st and goal stands—the 1st resulting in a FG and the 2nd, no points. The Jets got on the scoreboard in a hurry scoring on their 1st possession. As a matter of fact, NY scored each of the 1st 7 times it got the ball with the exception of a kneel down with 11 seconds left in the 1st half. O'Donnell got things rolling when he led an 8-play, 73-yard drive that culminated with his 35-yard TD pass to Chrebet. The defense set up the next score as Mo Lewis stripped Chris Warren of the ball and Marcus Coleman recovered it at the SS41. Seattle contributed further to its downfall when it got a 5-yard penalty for encroachment on a 4th down punting play. Parcells then elected to let John Hall, the free agent rookie, try his 1st NFL FG from 55 yards out, and Hall came through giving NY a 10-0 lead. Before the quarter was out, O'Donnell upped the score to 17-0 with a 26-yard strike to Graham. The Green and White put together another long drive, this time going 72 yards in 8 plays with O'Donnell hitting an all alone Brady in the EZ from the SS 1. Before the half was over, Hall kicked a 28-yard FG and the Jets' led 27-0. Seattle had its best drive of the game controlling the ball for 8:20 and moved 55 yards in 19 plays, but after getting a 1st down at the NY 8, had to settle for a 31-yard FG as the Jets pressured Friesz into 3 incompletions. Parcells continued his aggressiveness in the 3rd quarter as the Jets strung together TD drives of 60 and 84 yards ending with O'Donnell TD passes of 31 yards to Chrebet and 47 to Graham. With the Jets up 41-3, Moon, who took over for Friesz when he suffered a broken thumb, marched the Seahawks to a 1st down at the NY 1, but the Jets put up a 4-play goal-line stand denying the Seahawks a score. NY did not have to attempt a pass in the 4th quarter as it ran the game clock out.

## BUFFALO BILLS 28 at NEW YORK JETS 22 (72,988)

**GAME TWO** – Meadowlands, September 7, 1997 – Sunny, warm. In a game in which the lead changed hands 4 times, the Buffalo Bills held on to defeat the Jets in Bill Parcells' return home to the Meadowlands, 28-22. After the Jets came back to take a 22-21 lead in the 4th quarter, Buffalo marched 80 yards in 7 plays and went ahead 27-22. The Bills were penalized on their successful 2-point conversion and had to settle for Steve Christie's PAT and a 28-22 margin leaving the Jets a final chance for victory. New York moved to Buffalo's 24-yard line at the 2 minute warning, but the Bills' defense came up big with tremendous pressure and a pair of sacks to protect the lead for the win. The Jets worked their way to a 10-0 lead in the 2nd quarter on John Hall's 26-yard FG and Neil O'Donnell's 19-yard TD pass to rookie Deric Ward. But the Bills came back with a pair of TD—the 1st via an 80-yard drive (Todd Collins to Andre Reed) and the 2nd via a Chris Spielman interception which set up a 2-yard Thurman Thomas TD run. New York closed to 14-13 on Hall's 19-yard FG, but Collins' 37-yard TD pass to Quinn Early put the Bills up 21-13. But that margin was short-lived as Aaron Glenn took the ensuing kickoff and raced 96 yards for a TD. The Jets' 2-point conversion run failed, but New York was back in the fight at 21-19. A fumbled snap on the punt by Chris Mohr set the Jets up for Hall's 52-yard FG for a 22-21 lead with 9:52 left. But the resilient Bills weren't dead yet and Collins drove them that final 80 yards hitting TE Jay Riemersma with a 10-yard TD toss for the winning margin. The 2 defenses were dominating as the Jets managed only 202 yards as the Bills pressured O'Donnell all afternoon and recorded 8 sacks and limited the Jets to only 39 yards rushing. The Jets, who used a new 3-4 defense, held the Bills to only 260-yards—67 rushing and 193 passing and made 3 take-aways—a pair of INT and 1 FR. Collins was 22-15-210-2 INT-3 TD while O'Donnell was 37-16-218-2 INT-1 TD for Neil O'Donnell. Glenn's KOR for a TD was the 1st for the Jets since 1986 and tied for the 3rd longest in club history.

**at NEW ENGLAND PATRIOTS 27, NEW YORK JETS 24 (OT) (60,072)**

**GAME THREE** – Foxboro Stadium, September 14, 1997-Warm, humid. "We couldn't concentrate on that last play (John Hall's 29-yard FG attempt which was blocked preventing the Jets from winning with 18 seconds left in regulation time)," said Bill Parcells in the aftermath of the Jets' disheartening 27-24 overtime loss at New England. "There are no excuses. They played better than we did. We had a good chance to win on the road against the division champions." The Jets tied the game with 31 seconds left as Neil O'Donnell drove the team 83 yards in 12 plays and no time outs left as he hit Keyshawn Johnson with a 24-yard TD in the corner of the end zone. On the ensuing kickoff rookie Raymond Austin forced a fumble and the Jets had a chance for one of their biggest victories in quite a while when they recovered at the NE 18. But 2 plays later, Hall's low kick was blocked and the game entered OT. New York got a 2nd chance at victory when Otis Smith intercepted Drew Bledsoe at the J49, but the Patriots' defense stiffened and stopped the Jets' advance. Then the defending AFC champions went to work. Curtis Martin, who carried the offense all night, gained 42 of his 199 rushing yards to set up Adam Vinatieri's game-winning 34-yard FG with 6:57 left. The game started off with a bang as Bledsoe found Ben Coates with a 32-yard TD on NE's 4th play of the game. The Jets tied it at 7-7 as Corwin Brown blocked a punt leading to O'Donnell's 2-yard TD run. The Patriots answered right back on Martin's 2-yard run for a 14-7 margin. The Jets chipped back with Hall's 27-yard FG and had a chance to go into the locker room ahead, but Richie Anderson's fumble at the NE 5 with 15 seconds left nullified that opportunity. Mo Lewis got the Jets into the lead for the 1st time when he stepped in front of a Bledsoe pass and returned it 43-yards for a TD and a 17-14 Jets' lead. Vinatieri's 33-yard FG knotted the score and NE went up 24-17 on Bledsoe's 10-yard TD pass to Lovett Purnell. Then O'Donnell brought the Jets back to tie setting up an opportunity to win.

## at NEW YORK JETS 23, OAKLAND RAIDERS 22 (72,586)

**Game Four – Meadowlands, September 21, 1997.** Sunny, cool, windy. Down by 12 at the half by 22-10, the Jets staged their biggest comeback in 12 years to defeat the Oakland Raiders at the Meadowlands 23-22 to even their record at 2-2. The victory doubled the output by the 1996 Jets who went 1-15. The Jets cut Oakland's lead to 22-16 with a pair of John Hall FG of 47 and 26 yards, and then the special teams, who were special all day, blocked a Cole Ford FG and returned it 72 yards for a TD and a 23-22 lead. That lead stood up as the Raiders missed another FG (47 yards) and the offense ran out the clock. It was Corwin Brown, a special teams demon who was released by New England and reunited with Bill Parcells, who blocked the FG, and Ray Mickens, who returned it, to help lead the Jets to the victory. Oakland opened the scoring as Jeff George hit James Jett with a 56-yard TD pass, but Ford's PAT was wide left and that was the start of a bad day for Oakland's special teams. Hall cut the margin to 6-3 with a 34-yard FG, but George hooked up with his favorite receiver, Tim Brown, on a 29-yard scoring strike. The 2-point attempt failed and it was 12-10. The York struck back in 5 plays concluding with Adrian Murrell's 4-yard run to make it 12-10. The Raiders, though, got a 3rd TD pass from George, this an 11-yarder to Jett, and a 43-yard FG from Ford and led at the half, 22-10. Hall trimmed it to 22-13 with a 47-yard FG and then when a Jets drive stalled at the 50, Parcells called for a fake punt on 4th and 11 and Brown began his heroics with a 26-yard gain on a pass from Brian Hansen. That play kept the drive alive and Hall completed it with a 26-yard FG. It was then time for Brown and Mickens to make the play of the day and give the Jets a 23-22 lead. Oakland wasn't done yet and drove to the J29, but Ford's 47-yard game-winning attempt was wide right and all that remained was for the Jets to run out the clock, which they did. George and the Raiders' offense had an incredible day gaining 468 yards to the Jets' 303. They had a 300-yard passer, a 100-yard rusher and a pair of 100-yard receivers. George was 38-26-374-0 INT-3 TD while Brown was 10-153-1 TD and Jett 5-148-2 TD. Napoleon Kaufman added 27-126 rushing.

## NEW YORK JETS 31 at CINCINNATI BENGALS 14 (57,209)

**GAME FIVE** —Cinergy Field, September 28, 1997 - Sunny, warm: The Jets ran off 82 plays, controlled the clock for 42:50 and played almost errorless ball as they climbed to 3-2 with their 2nd straight victory, an impressive 31-14 victory over the Bengals at Cincinnati. "I'm happy with the way we played. We had to go on the road against a team that had its back up against it, and we did a good job. That's a good sign," said Bill Parcells. The Jets played smash-mouth football with Adrian Murrell tying a team record for carries—40-1 more than Cincinnati had plays, and gained 156 yards and rushed for 1 TD. Neil O'Donnell was precision-like at QB with 34-20-212-0 INT-3 TD. The Jets defense, aided by the offense's time of possession and field position gained by the special teams, helped its own cause as it limited the Bengals to 4 possessions of 3-and-out. Nickel back Ray Mickens might have made the key play of the game when he picked off ex-Jet Jeff Blake at the J48 with 1:41 remaining in the 1st half. That play set up O'Donnell's 12-yard TD pass to Keyshawn Johnson giving the Jets a 24-7 lead just before the teams entered the break. New York opened the scoring with a 2-yard TD pass from O'Donnell to Fred Baxter and when Cincy tied it at 7-7 on Blake's 50-yard TD pass to Carl Pickens, they answered back with Murrell's 12-yard run which followed a fake FG play. John Hall's 44-yard FG increased the margin to 17-7 prior to Mickens' INT. The Jets continued to control the ball in the 2nd half behind Murrell's running and went up 31-7 on O'Donnell's 3rd TD pass, this one to Richie Anderson for 7 yards. The Bengals closed to the final margin on Blake's 26-yard TD pass to Darnay Scott. It was the 1st loss at home for the Bengals since ex-Jets head coach Bruce Coslet took over the Bengal duties. They were 6-0 at home.

## NEW YORK JETS 16 at INDIANAPOLIS COLTS 12 (48,295)

**GAME SIX – RCA Dome, October 5, 1997-Indoors.** “We struggled a bit and were a little less than perfect, but it was a win,” said head coach Bill Parcells after the Jets won their 3rd straight holding on to defeat the Colts in Indianapolis, 16-12. New York built a 13-0 halftime lead on Adrian Murrell’s 24-yard TD scamper and pair of John Hall FG of 53 and 37, the 2nd of which was set up by Victor Green’s INT and return of 39 yards to the C46. The Colts, with Paul Justin replacing an injured Jim Harbaugh at QB, chipped away with a 48-yard FG and then Justin drove them 86 yards for Marshall Faulk’s 1-yard TD run making it 13-10. The Jets’ defense, which played well most of the day, came up with a series of big plays, but none bigger than 13-year veteran Pepper Johnson’s INT at the C33 and return to the C20. The Jets couldn’t put the Colts away, but settled for Hall’s 3rd FG, a 23-yarder and a 16-10 lead with 4:25 remaining. Justin passed Indy to the Jets 25-yard line, but came up short. The Jets were unable to run the clock out and Parcells made the decision to deliberately take a safety. He had Neil O’Donnell run back from the J34 towards the end zone and then throw a strike through the end zone bringing the clock down to 10 seconds and leaving the Jets protecting a 4 point lead. Hall’s kickoff (with no tee) to the C12 helped as the Colts returned the ball to their own 22. Two plays later Aaron Glenn intercepted Justin’s last desperation throw for the Jets’ victory. NY’s defense held Faulk to 14-32 and the Colts to 45 yards rushing. Murrell finished with 30-99-1 TD.

## MIAMI DOLPHINS 31 at NEW YORK JETS 20 (75,601)

**GAME SEVEN** – Meadowlands, October 12, 1997-Sunny, clear. The Dolphins broke open a tight 17-14 game with a pair of TD late in the 4th quarter and ended the Jets' 3-game winning streak with a 31-20 victory at the Meadowlands. New York broke out on top 7-0 in the 1st quarter when Neil O'Donnell hooked up with Wayne Chrebet on a 70-yard bomb leading to Leon Johnson's 1-yard run. Miami soon tied it at 7-7 when the Jets had a breakdown in coverage and Dan Marino found Karim Abdul-Jabbar all alone for a 36-yard TD strike. New York came back to take a 14-7 lead when Keyshawn Johnson made a spectacular one-handed snag of an O'Donnell 7-yard pass into the end zone. Marino brought the Dolphins back again and tied the score on a 22-yard pass to Lamar Thomas. And when the Jets couldn't make a 1st down at the end of the half, Marino again led the Dolphins to a 23-yard FG with no time left for a 17-14 lead. The 2 teams' offenses stalled early in the 2nd half. Miami's Olindo Mare missed a 30-yard FG and then the Jets' John Hall missed an opportunity to tie the game at 17 from the same spot when he too was wide right. Then the Dolphins began clicking and found some opportunity along the way. They drove to the J26 where Marino hooked up on a crossing pattern to Charles Jordan who took the pass to the J4 where he was stripped by Ray Mckens. But O. J. McDuffie, who was trailing the play, got the lucky bounce and went into the end zone for the back-breaking score and a 24-14 lead. Moments later, O'Donnell was stripped of the ball at the J36 and Miami took advantage with another TD in a minute and 20 seconds, an 8-yard run by Irving Spikes. The Jets got a late TD on an 8-yard pass from O'Donnell to Chrebet to make the final margin 31-20. Marino had a big day with 38-27-372-0 INT-2 TD. O'Donnell, who was sacked 5 times, did complete 24-37-319-0-2 TD. Miami held Adrian Murrell to 13-29.

## at NEW YORK JETS 24, NEW ENGLAND PATRIOTS 19 (71,061)

GAME EIGHT— Meadowlands, October 19, 1997—Cloudy, cool. "All I know is we needed a big spark today," said Jets head coach Bill Parcells talking about why he decided to replace starting quarterback Neil O'Donnell with Glenn Foley and then watched Foley lead the Jets to 3 2nd half touchdowns and a 24-19 upset victory over his old club, the New England Patriots. O'Donnell and the Jets offense stalled out in the 1st half and trailed 5-3 when Parcells made his decision. Before Foley entered the game in the 3rd quarter, New England upped the lead to 12-3, but Foley was magical and completed 14 consecutive passes including a 5-yard scoring pass to FB Lorenzo Neal to give the Jets the lead for good with 11:32 left in the 4th quarter. After John Hall missed a 35-yard FG, he came back with one from the same spot giving the Jets a 3-0 lead. When Leon Johnson failed to field a punt and the Patriots downed it at the J3, New England pressured O'Donnell into an intentional grounding call and a NE safety. The Patriots added a 24-yard FG before the half for a 5-3 lead and upped it to 12-3 before Foley entered the action with a 4-play, 80-yard drive culminated by Drew Bledsoe's 8-yard TD pass to Ben Coates. Foley then made his entrance and directed a 10-play, 74-yard scoring drive capped by Johnson's 1-yard TD run. Bledsoe and the Pats came right back for a 19-12 lead as he hit Troy Brown with a 23-yard scoring pass. It was Foley's turn to respond and he completed all 4 of his pass attempts for 40 yards setting up Adrian Murrell's 5-yard TD run bringing the Jets to 19-17. They took the lead on Foley's toss to Neal concluding an 8-play, 76-yard march featuring 3 catches for 36 yards to Jeff Graham and one of 23 to Keyshawn Johnson. The Jets snapped a 6-game losing streak to the Patriots and ended NE's 9-game winning streak against division opponents. Foley completed 17-23-200-0-1 TD in recording his 1st victory in a regular season game since his senior year in college. The Jets suffered a tough loss when they lost LILB and captain Pepper Johnson for the season with a ruptured tendon in his left quad. Just before the half, Hall attempted a 68-yard FG, but was short and wide left. It was the longest attempt in the NFL since 1980 when Fred Steinfort missed a 73-yarder for Denver at New England.

## at NEW YORK JETS 19, BALTIMORE RAVENS 16 (OT) (59,524)

GAME NINE – Meadowlands, November 2, 1997-Heavy rain, cool. John Hall kicked the Jets past the Baltimore Ravens and into sole possession of 1st place in the AFC East with a 37-yard FG in overtime giving New York a 19-16 victory. The rookie kicker's heroics came after Baltimore tied the game at 16-16 with only 3 seconds left in regulation on Vinny Testaverde's 16-yard TD pass to Derrick Alexander. For the 2nd straight game, Bill Parcells inserted Glenn Foley into the game for starter Neil O'Donnell, and again the back-up QB gave the Jets a lift leading them to a 4th quarter FG and then engineered the game-winning, 12-play, 60-yard overtime-drive. The Jets got the scoring under way on their 1st possession as rookie Leon Johnson positioned them at the B13 with a 60-yard punt return. On the 1st play, O'Donnell hooked up with an all-alone Fred Baxter for the score. The Jets clamped down on the Ravens as they neared the Jets end zone twice in the 1st quarter, surrendering only a pair of Matt Stover field goals of 41 and 22 yards. Hall kicked the 1st of his personal-high 4 FG, making a 28-yarder boosting the Jets lead to 10-6. Just before the half, the Jets defense tightened up again and denied the Ravens a TD making them settle for another Stover FG. Throughout a driving rain-soaked 1st half, neither team turned the ball over, but the Jets defense made 2 big plays in the 2nd half and turned both take-aways into field goals. First, Testaverde tossed the ball from his knees and Otis Smith made him pay for it with an interception and a 25-yard return leading to Hall's 3rd FG and a 13-9 3rd quarter lead. Then in the 4th quarter, SS Victor Green stripped the hard-running Bam Morris (31-130) of the ball at the J48 and Smith caught it in mid-air and returned it 40-yards setting the scene for Foley's entrance at the B14. Four plays later, Hall made a 31-yarder for a 16-9 Jets margin which stood until the Ravens tied it with 3 seconds left.

## at MIAMI DOLPHINS 24, NEW YORK JETS 17 (73,809)

**GAME TEN** – Pro Player Stadium, November 9, 1997-Sunny, warm. The Jets rallied to cut Miami's 14-point 4th quarter lead to 24-17 with 7:37 remaining, but they came up short on their last 2 drives—the 1st when the officials ruled a non-catch on Glenn Foley's 4th down pass to Wayne Chrebet at the M24, and the 2nd when Foley was picked off at the M15. Miami held on for the 24-17 victory and grabbed a piece of 1st place in the AFC East with the Jets and New England—all 3 tied at 6-4. The Dolphins scored on their 1st possession driving 80 yards, most of it on the ground for a 7-0 lead. The Jets missed their 1st opportunity for a FG when John Hall's 39-yarder was wide left, but Hall's 29-yarder cut it to 7-3. Then Foley, making his 1st start of the season and the 4th of his career, engineered a 9-play, 74-yard march and completed it with an 18-yard TD strike to TE Kyle Brady for a 10-7 Jets' lead with only 1:36 left in the half. But the master 2-minute man, Dan Marino, answered back with his own magic and in 1:31 he took the Dolphins 77 yards and hit Brett Perriman with a 23-yard TD strike as Miami re-took the lead, 14-10. Marino mixed up the run and pass on Miami's 1st possession of the 3rd quarter and led the Dolphins to paydirt as Karim Abdul-Jabbar scored his 2nd rushing TD of the day for a 21-10 Miami lead. The Dolphins took advantage of a sack and fumble by Foley to boost their lead to 24-10 on Olindo Mare's 21-yard FG. The Jets, though, battled back. Aaron Glenn's 40-yard kickoff return set the stage for Adrian Murrell's 43-yard TD burst which cut the margin to 24-17 with 7:37 remaining. Miami botched the ensuing kickoff return at its own 6-yard line and the Jets defense held and forced a punt. New York was in business at the M47 and Foley drove the team to the M30, but a 4th down and 5 pass to Chrebet was ruled "no catch" as he stretched out at the M24. The defense held once again and Foley drove the Jets to the M35, but his last pass was intercepted at the M15 as Miami held on for the win. Foley produced his 1st 300-yard day in the NFL with 48-25-322-1 INT-1 TD. Marino was sharp with 29-18-186-0 INT-1 TD. Abdul-Jabbar led Miami's ground game with 25-103-2 TD. Deric Ward was 6-108 to lead the Jets' receivers.

## NEW YORK JETS 23 at CHICAGO BEARS 15 (45,642)

**GAME ELEVEN** – Soldier Field, November 16, 1997-Overcast, cold. In a game that was played in a minus 5 degree wind chill, it was bittersweet victory for the Jets at Chicago as their defense led them to a 23-15 victory, but saw the club lose its starting QB, Glenn Foley, with a knee injury. The defense turned 5 1st half turnovers into 20 points and then held off a Chicago comeback with a bend, but don't break theme. Otis Smith, the often-maligned Jets RCB, turned out to be the big play man for the secondary as he had a hand in 17 of the 20 points scored. His 1st INT set up a 3-0 Jets lead on John Hall's 34-yard FG. Then he tipped an Erik Kramer pass intended for Ricky Proehl into the hands of Victor Green for another interception. Two plays later Keyshawn Johnson split a pair of Bears' defenders and made a leaping catch in the end zone of a 35-yard pass from Foley for a 10-0 lead. After the Jets went up 16-0 on another Hall FG of 36 yards set up by Marvin Jones' sack and forced fumble of Kramer, Smith picked off back-up QB Steven Stenstrom and raced 38 yards for a TD making it 23-0 with 5:27 still remaining in the 2nd quarter. The Jets lost Foley at the 11:36 mark with a 10-0 lead and then the offense struggled with the Bears' blitzing defense in the wind and cold of Soldier Field. Although down by 23, the Bears fought back. They threw a record 65 attempts against the Jets and produced 356 yards on 90 offensive plays. But they entered the Jets' red zone 6 times and the Jets defense allowed only 2 touchdowns, the last with 30 seconds remaining. Chicago got to the J15, but on the last play of the half missed a 34-yard FG. In the 3rd quarter Kramer teamed with Chris Penn for a 4-yard TD, but Chicago missed a 2nd FG from the 32 as the 4th quarter began. The Bears drove to the J13, but a Mo Lewis sack helped stymie their attack and they came away with nothing. Four minutes later Chicago was at the J11, but again the Jets defense turned it away with no points. The Bears finally got on the board again, but Kramer's 5-yard TD pass to Proehl was too little and too late. Their 2-point conversion was successful, but their on-side kick was recovered by Wayne Chrebet and the Jets held on for their 7th win and they kept their hold on 1st place in the AFC East.

## at NEW YORK JETS 23, MINNESOTA VIKINGS 21 (70,131)

**GAME TWELVE** – Meadowlands, November 23, 1997-Chilly, overcast. Overtime was on the horizon as the Minnesota Vikings were 2 yards away from a 2-point conversion and a 16 point 4th quarter comeback that would tie the game at 23-23, but LDE Rick Lyle snuffed out the play when he tackled RB Robert Smith in the backfield and held on until Victor Green and James Farror came along, giving the Jets their biggest win of the season and undisputed possession of 1st place in the AFC East. "That's a big, big, big win for us. They can't call us losers anymore. We're at least even. That keeps us in it for a while," said Bill Parcells, who brought the Jets back from a 1-15 record a year ago to 8-4, and a tie for the 3rd best record in the AFC. Lyle's play capped a madcap 4th quarter which saw the Vikings get their final TD with no time left after the Jets took a penalty for delay of game. The Jets didn't play a perfect game, but they made some big plays on offense, defense and special teams. Leon Johnson might have set the tone for the day when he returned Minnesota's opening punt 66 yards to give the Jets a 7-0 lead as fans were settling into their seats with only 2:31 gone. Minnesota tied it at 7-7 when Jake Reed (8-150) made a spectacular grab of the 1st of his 2 TD. John Hall booted the Jets ahead 10-7 with the 1st of his 3 FG, a 28-yarder. Then Neil O'Donnell, making his 1st start in 3 weeks, drove the Jets 61 yards in 6 plays and hit a wide-open TE Fred Baxter with a 3-yard TD pass. With only 11 seconds left in the half, Hall boosted the Jets to a 20-7 margin and then hit a 51-yarder in the 3rd period moving the Jets to a 23-7 margin. The Vikings trimmed the NY lead to 23-15 when Brad Johnson lofted a 6-yard TD pass to Reed and followed it with a QB sneak for the 2 point conversion. Hall could have ended the suspense with 5:30 left in the 4th quarter, but he was wide left from 42-yards out and Minnesota was still alive. Mo Lewis stopped 1 Viking drive with a tackle of Johnson, a yard shy of a 1st down and after a shanked 17-yard punt by the Jets it was up to Lyle to make the play of the day on Smith when the Vikings scored with no time left. The Jets revived their running game with 32-130 (Adrian Murrell 28-95) and O'Donnell had a productive day with 34-23-242-0 INT-1 TD. Keyshawn Johnson had his 1st 100-yard day with 9-104, both personal highs.

## at BUFFALO BILLS 20, NEW YORK JETS 10 (47,776)

**GAME THIRTEEN** – Rich Stadium, November 30, 1997-Light rain, cool. It was a painful loss in more than one way at Buffalo as the Jets lost sole possession of 1st place in the AFC East when they were beaten by the Bills 20-10 and they lost 3 starters to injuries, one for the season. The Bills broke open a 10-10 game in the 4th quarter with a 62-yard pass play and added a 34-yard FG for insurance as they sent the Jets into a 3-way tie for the top spot in the division as New England and Miami each won leaving all 3 teams at 8-5. The Jets were hit hard on the injury front as they lost their starting tackles and their best CB, Aaron Glenn, for the game. LT Jumbo Elliott tore his Achilles tendon and was sidelined for the season while RT David Williams suffered back spasms and had to leave the game. This meant a complete reshuffling of the O-line with Lonnie Palelei moving from LG to LT and Lamont Burns replacing him at LG. Siupeli Malamala took over for Williams. Ray Mickens moved from nickel back to Glenn's spot. But with all the changes, the Jets rebounded from a 10-3 deficit to tie matters at 10-10 in the 3rd quarter when Leon Johnson's 28-yard punt return set up Neil O'Donnell's 29-yard TD pass to Keyshawn Johnson. The 2 teams traded punts into the 4th quarter when suddenly Todd Collins, hit by a blitzing Marvin Jones, found Lornie Johnson all alone, and Johnson bowled over a pair of Jets defenders and raced the remaining 62 yards for a 17-10 lead with 12:47 remaining. Steve Christie, who had hit a 49-yard FG with 0:36 left in the half, nailed the game shut with a 34-yarder at the 5:21 mark. Buffalo opened the scoring on Collins' 22-yard TD pass to Andre Reed, the 80th career TD catch for him. The Jets missed a 53-yard FG but got on the scoreboard on John Hall's 22-yarder cutting the margin to 7-3. Buffalo's running game resurfaced big time running up 197 yards led by Thurman Thomas' 18-104. The Jets managed only 30 on 15 carries.

## INDIANAPOLIS COLTS 22 at NEW YORK JETS 14 (61,168)

**GAME FOURTEEN** – Meadowlands, December 7, 1997-Overcast, cool. The Jets were embarrassed by the Indianapolis Colts 22-14 and saw their hopes for the playoffs dispatched to life-support and hoping for help from other teams. The Colts, who entered the game with only 1 win in 13 games, dominated the Jets on offense and defense and built a 22-0 lead. New York's only 2 scores came in the final 6:12. The Jets managed only 126 yards of total offense, their lowest output since 1977. The reconstructed offensive line—only 2 starters were in place from the previous 13 weeks, couldn't handle the Colts' defense. Indianapolis sacked Neil O'Donnell 8 times and held New York's running game to only 33 yards on 11 carries, a figure that tied for the 2nd fewest rushing attempts in club history. Meanwhile, the Colts' offense, sparked by Marshall Faulk, picked up 366 yards—193 on the ground. Faulk rushed for a season-high 23-133-2 TD and caught 5-87 including a back-breaking 58-yarder that set up Zack Crockett's 2-yard TD run making the score 12-0 in the 2nd quarter. The Colts opened the scoring with a pair of 2nd quarter FG and added a 3rd Cary Blanchard FG in the 3rd period. Faulk put up the final Indy tally on a 2-yard run following Rico Clark's interception of O'Donnell. The Jets were unable to get anything on the board and had only 81 yards of total offense into the 4th quarter when O'Donnell hooked up with Alex Van Dyke on a 17-yard TD pass. Minutes later rookie Leon Johnson's 40-yard punt return set the Jets up at the C18 and O'Donnell and Van Dyke made it 22-14 on an 18-yard TD strike. The Jets' last chance failed when the Colts recovered the ensuing on-side kick.

**GAME FIFTEEN** – Meadowlands, December 14, 1997-Cloudy, cool. Otis Smith ignited the spark and Leon Johnson blew the game open as the Jets put their destiny back into their own hands with a 31-0 shutout of the Tampa Bay Buccaneers at the Meadowlands. The win lifted the Jets into a 1st place tie in the AFC East with Miami and New England and set the stage for a “win, you’re in, lose, and you-go-home-game,” at Detroit in the regular season finale. With the Jets holding a 3-0 lead, Smith picked off Pro Bowl QB Trent Dilfer and snaked his way 45 yards into the end zone for a 10-0 Jets lead. Five minutes later, Smith did it again. He stole another Dilfer pass and raced untouched down the sideline 51 yards improving the Jets’ margin to 17-0. On this windy day (gusts up to 30 mph), Johnson put the game out of reach with a club-tying 101-yard kickoff return and the Jets were on their way to victory. “Leon’s done a terrific job for us all year and that was really a big play because that really took the wind out of their sails,” said Bill Parcells. Johnson wasn’t through for the day, though. His 23-yard punt return set the Jets up for a 24-yard scoring drive capped by Adrian Murrell’s 7-yard TD run. Murrell gained 73 yards and became only the 2nd Jet to have consecutive 1000-yard rushing seasons. The Jets defense held the Bucs to only 111 yards, the fewest it has allowed in 15 years. It limited Tampa Bay to only 3 completions and only 21 yards net passing. Smith’s 2 INT returns for TD tied the NFL record for a single game. John Hall’s 28th touchback set an NFL modern-day record.

## at DETROIT LIONS 13, NEW YORK JETS 10 (77,624)

**GAME SIXTEEN** – Pontiac Silverdome, December 21, 1997-Indoors: The scenario of “win and you’re in the playoffs” faced both teams as they headed into the game. The Jets opened the scoring on their first drive of the game, going 60 yards in 12 plays in 5:54 capped by K John Hall’s 32-yard FG. The Jets came right back on their next possession and marched 70 yards in 7 plays, highlighted by a Neil O’Donnell 19-yard pass to Fred Baxter and by a flea-flicker pass from O’Donnell to Wayne Chrebet for 22 yards. Adrian Murrell then burst off tackle for a 14-yard TD run. The Jets defense made its presence felt by not allowing a DET 1st down in 4 1st quarter possessions. DET got on the board just before the end of the 1st half when K Jason Hanson connected on a 44-yard FG with 0:03 left to close the Jets lead to 10-3. RB Barry Sanders, who needed 138 yards to become the 3rd player in NFL history to gain 2,000 yards in a season, was limited to 8 rushes for 20 yards at the intermission. The Jets opened the 2nd half with the ball and were moving down the field before an O’Donnell pass deflected off the hands of RB Richie Anderson and into the hands of S Mark Carrier. Hanson once again connected, this time on a 25-yard FG. The Jets came right back and looked to have recaptured the momentum, highlighted by an O’Donnell 19-yard run on 3rd-and-9 as well as the appearance of QB Ray Lucas, who hit Kyle Brady on a 19-yard pass and an 11-yard Lucas run to the DET 19 yard line. But a holding penalty and a Lucas INT halted the Jets drive. The Jets defense continued to hold Sanders in check until he broke free on a 47-yard run on the last play from scrimmage in the 3rd quarter. Four plays later Sanders scored DET’s only TD of the day on a 15-yard run, giving the Lions a 13-10 lead. The Jets then rallied and marched all the way to the DET 9 yardline midway through the 4th quarter before Leon Johnson’s halfback option pass was ruled an INT in the corner of the endzone by Bryant Westbrook. It then became the Sanders show as he ran the football on 8 consecutive plays. The Jets got the ball back once more but were unable to move into scoring range and were forced to punt. Two incidents of note happened late in the contest: Sanders finished the season with 2,053 yards rushing and DET 2nd-year LB Reggie Brown suffered a career ending neck injury in the 4th quarter when he attempted to tackle Murrell.

**DRAFT-DAY TRADE**—The Jets traded the 3rd overall selection in the draft to Phoenix in exchange for the Cardinals' pick (#4). James Hasty and Ronnie Lott batted away a Phil Simms pass in the end zone with :17 remaining to seal the win.

The streak extended to 5 games, the longest since the team won 9 straight games in 1986 (Nov. 14).

The Jets players wore their "original throwback" uniforms to honor the Super Bowl champions (Nov. 21).

We know the price was high, but we think we got good value in return. ## HALL OF FAMERS

### WEBB EWBANK

HEAD COACH (1963-73) • GENERAL MANAGER (1963-74)

Weeb Ewbank is the only head coach to build 2 teams from their inception into world champions and was inducted into the Pro Football Hall of Fame on July 29, 1978. Upon his retirement, Ewbank ranked 4th on the all-time coaches victory list with 130. He is the only coach ever to win World Championships in both the NFL (Baltimore 1958-59) and AFL (New York 1968). Two of the most important games in NFL history were the sudden death victory in the 1958 championship, and the Super Bowl III win by the Jets.

Ewbank joined the Jets in 1963 as head coach and GM after serving as head coach of the Colts from 1954-1962. The New Yorkers shocked the world by defeating Ewbank's former team, the Colts 16-7 (the 1st victory for the AFL in the Super Bowl).

Ewbank coached the Jets through 1973 before retiring. He has worked with some of the game's greatest legends including Joe Namath, Don Maynard, Paul Brown, Otto Graham, Johnny Unitas and Raymond Berry.

### JOE NAMATH QUARTERBACK (1965-76)

Joe Namath, "superstar", is an apt description for this Jets quarterback. He was a player who transcended the playing field to become a household name and put a whole league on the map, the AFL. Namath enjoyed a sparkling career and led the Jets to what experts call one of the greatest upsets in sports history when he guided the team to a 16-7 win over the Baltimore Colts in Super Bowl III on Jan. 12, 1969.

Despite having five knee operations, Namath was one of the game's great quarterbacks and one of its most prolific passers. He was the first player to throw for more than 4,000 yards doing it in a 14-game season (1967). He still holds most of the Jets' passing records and for his pro career completed 1,886 of 3,762 passes for 27,663 yards and 173 TD.

Namath's 1965 signing gave the Jets and the AFL the credibility they needed and started the building to the Super Bowl championship. His legendary Alabama coach Bear Bryant said, "Joe Namath is the greatest athlete I have ever coached."

Namath was elected to the Hall of Fame on January 29, 1985.

### DON MAYNARD WIDE RECEIVER (1960-72)

At the time of his retirement, Don Maynard was the all-time leading receiver in NFL history. Maynard caught 633 passes for 11,834 yards (18.7) for 88 TD. His yardage still ranks 4th all-time and his number of catches is 7th.

Maynard was a four-time AFL All-Star and is a member of the All-Time AFL team chosen by the Pro Football Hall of Fame. He went over the 100-yard receiving mark in 50 games (still an NFL record). The El Paso, TX native joined the AFL in 1960 and was the first Titan to sign a contract.

His most memorable game was the 1968 AFL Championship in which he caught six passes for 118 yards and two TD (including the game-winner) to help put the Jets into the Super Bowl.

The Texas Western (now known as the Univ. of Texas at El Paso) alumnus was enshrined into the Hall of Fame on Aug. 8, 1987.

### JOHN RIGGINS FULLBACK (1971-75)

John Riggins began his Hall of Fame football career with the Jets as a No. 1 draft choice in 1971 out of Kansas and finished with the Washington Redskins. He became the first 1,000-yard rusher in Jets history when he gained 1,005 in 1975. During his 5-year Jet stay he gained 3,880 yards rushing and led the team in 4 of those seasons. He signed as a free agent with Washington in 1976 and was the MVP of the Redskins Super Bowl XVII victory with 163 yards rushing including the game-winning 43-yard touchdown. For his career he gained 11,352 yards rushing and scored 104 touchdowns. He was inducted into the football Hall of Fame in 1992. Riggins was a fullback with the Jets from 1971-1975, and Washington from 1976-79, 1981-85.

## PLAYOFF HISTORY

### 1968 AFL CHAMPIONSHIP

DEC. 29, 1968—SHEA STADIUM

NEW YORK 27, OAKLAND 23

The New York Jets climaxed their finest season in history (11-3) by scoring a 27-23 victory over Oakland. A title game record crowd of 62,627 sat in on chilly and windy proceedings at Shea Stadium and saw Joe Namath toss three touchdown passes.

Despite the fact that Namath attempted a record 49 passes, the Jets still mixed their attack. Matt Snell and Emerson Boozer gained 71 and 51 yards, respectively, behind fine blocking from the front line.

The Raiders carried the game down to the final minutes before Daryle Lamonica's lateral pass for Charlie Smith rolled free and was recovered by the Jets' Ralph Baker.

The victory gave head coach Weeb Ewbank the honor of being the only coach to win titles in both the NFL and AFL.

## SUPER BOWL III

JAN. 12, 1969—MIAMI ORANGE BOWL  
NEW YORK 16, BALTIMORE 7

Defying the oddsmakers (17 1/2 point underdogs) and the strength of traditions, the Jets became the first AFL team to win the Super Bowl by rumbling over and through the Baltimore Colts to record a 16-7 triumph.

As it was in the AFL championship contest, Joe Namath led the way. The all-pro quarterback directed the Jets' attack flawlessly, driving the team to a second quarter touchdown by Matt Snell (four yards) and three second-half field goals by Jim Turner. Snell had an outstanding game, gairing 121 yards on 30 carries.

The defense shared at least as much glory as the offensive unit, intercepting the Colts four times. Randy Beverly picked off two; Jim Hudson and Johnny Sample, one each. The defensive unit harassed Colts' quarterbacks Earl Morrall and Johnny Unitas all afternoon, allowing them to complete only 17 of 41 passes. The victory was the third in World Championship competition in as many tries for Weeb Ewbank and made him the only man ever to coach world champions in both the AFL and NFL.

### 1969 AFL PLAYOFF

Dec. 20, 1969—SHEA STADIUM  
**KANSAS CITY 13, NEW YORK 6**

The game was a classic battle of defenses, played in remarkably cold and windy conditions before a sellout 62,977 fans. Through the first three quarters, neither team could penetrate for a touchdown and the score stood at 6-3 for the Chiefs. Jim Turner had put New York out in front, 3-0, with a 28-yard field goal the first time the Jets had the ball, but the Chiefs' Jan Stenerud retaliated with a 23-yarder on the next series.

Not until the fourth quarter did the breaks occur. With first and goal on the one-yard line, three cracks, including a Joe Namath bootleg, failed to bring a touchdown. Turner then kicked a 7-yard field goal to tie it, 6-6.

## Playoff History (continued)

Two plays later Kansas City was in the end zone. Len Dawson hit Otis Taylor for a 61-yard pass play to take the Chiefs to the Jets 19. Then Dawson fired the final 19 yards to Gloster Richardson for the only TD of the game.

Namath threw 20 passes over the next two Jets' series, but a fourth down incompletion and a Jim Marsalis interception thwarted the Jets and put Kansas City on the road to the world championship.

## 1981 AFC WILD CARD PLAYOFF

DEC. 27, 1981—SHEA STADIUM

BUFFALO 31, NEW YORK 27

In one of the most exciting playoff games ever played, the Buffalo Bills hung on to defeat the Jets, 31-27 as Bill Simpson made an interception on the two-yard line with time running out.

The Bills scored on the opening kickoff when they recovered a Bruce Harper fumble and quickly built that to a 24-0 second quarter lead. The Jets rallied in the third quarter to make it 24-13. The game appeared over as Joe Cribbs busted a 50-yard TD to give Buffalo a 31-13 lead with 10:16 left.

The Jets refused to die, however, and with Richard Todd at the controls, New York scored 2 quick TD and were now down 31-27 with 3:44 to go. A swarming defense forced the Bills to go three and out and with 2:36 left and the goal line 80-yards away, Todd started the Jets on their march. They drove to the Bills 11-yard line with 14 seconds on the clock, but Simpson made his game-saving interception and the Jets' season ended.

### 1982 AFC PLAYOFF

JAN. 9, 1983—CINCINNATI RIVERFRONT STADIUM  
NEW YORK 44, CINCINNATI 17

The Jets mixed up solid and hard hitting football with a measure of razzle dazzle on offense and gimmicks on defense to beat the Bengals at Cincinnati in round one of the NFL Super Bowl Tournament. The game was highlighted by Freeman McNeil's 202 yards rushing, the 3rd highest in playoff history, a TD pass from McNeil and a 98-yard INT for a TD by Darrol Ray to secure the win. The Bengals jumped to leads of 14-3 and 14-10 and were threatening to score again, when the Jets' defense might have made the play of the day. Nickel back Johnny Lynn made an interception at the J1 and with McNeil leading the way behind an awesome performance by the offensive line, the Jets surged to a 17-14 lead which they never surrendered. McNeil was the "cannon" being shot by Richard Todd 22 times for 202 yards and one TD.

### 1982 AFC PLAYOFF JAN. 15, 1983—LOS ANGELES MEMORIAL COLISEUM NEW YORK 17, L.A. RAIDERS 14

The Jets sprung upset number two in the 2nd round of the Super Bowl Tournament, beating the Raiders to enter the AFC championship game. Richard Todd's 45-yard pass to Wesley Walker set up the winning one-yard TD run by Scott Dierking, but it took a pair of Lance Mehl interceptions in the last 3 minutes to wrap it up for the Jets. New York jumped to a 10-0 lead on a 20-yard TD pass from Todd to Walker and a Pat Leahy FG, but the Raiders came storming back in the 2nd half to take a 14-10 lead. The Jets came back to take the lead at the 3:45 mark following the Todd to Walker bomb, but the Raiders still had plenty of time. It looked as if the Jets had put the Raiders away when Mehl intercepted Plunkett at the LA27 with only 2:49 left, but the Raiders got one more chance when they recovered a Freeman McNeil fumble at their own 33 with 2:26 to go. Then Mehl made his clinching interception and this time the Jets ran out the clock.

### 1982 AFC CHAMPIONSHIP JAN. 23, 1983—MIAMI ORANGE BOWL MIAMI 14, NEW YORK 0

On an extremely muddy field at Miami's Orange Bowl, the Jets and Dolphins waged a defensive battle which ended with Miami on top 14-0 to earn a trip to the Super Bowl. A.J. Duhe was the hero of the game, which saw a total of 12 turnovers, with three interceptions, returning the final one 35-yards for a touchdown early in the fourth quarter. Woody Bennett ran seven yards for the first Miami touchdown on the Dolphins' first possession of the third quarter, capping a 48-yard, seven-play drive following Duhe's second interception. The poor field conditions severely hurt the Jets' rushing attack as Freeman McNeil, who had rushed for 303 yards in the previous two playoff wins, was limited to only 46 yards on 17 carries due to the footing. It was the first time in NFL playoff history that two teams were deadlocked at 0-0 at halftime. The Jets passing game was also hindered as Richard Todd was intercepted a record-tying five times by Miami. The New York defense held Miami to only 198 net yards, intercepted David Woodley three times and forced three fumbles.

### 1985 AFC WILD CARD PLAYOFF

DEC. 28, 1985—GIANTS STADIUM  
 NEW ENGLAND 26, NEW YORK 14

New England came out on top 26-14 in a game that saw the Jets self-destruct. The Jets committed 4 costly turnovers which led to 17 Patriots points. New England, which went on to win the AFC championship, played an almost flawless game with no turnovers and only 1 penalty. The Jets were ahead 7-6, and driving late in the 2nd quarter when Ken O'Brien was intercepted on the 7-yard line. New England came back with a TD pass from Tony Eason to Stanley Morgan on a blitz 6 plays later. O'Brien suffered a concussion on the final play of the half on an Andre Tippett sack and would only play the first series of the 2nd half. Before Pat Ryan could relieve him though, New England added a FG and then scored a TD when the ensuing kickoff was fumbled by Johnny Hector and returned 15-yards by Johnny Rembert. With the Jets trailing 23-7, Ryan came in and directed a TD drive.

### 1986 AFC WILD CARD PLAYOFF

Dec. 28, 1986—GIANTS STADIUM  
NEW YORK 35, KANSAS CITY 15

Joe Walton started Pat Ryan to give the team an emotional lift and it got just that from Ryan plus a key running play and a 3-TD passing performance. The club also received Freeman McNeil's 135-yard rushing performance to spark the Jets' first home playoff win since 1968. Trailing 6-0, Ryan ran a QB draw for 24 yards from the KC33 on a 4th & 6 play to set up the Jets' go ahead TD. On the 1st down of the ensuing series, the Jets defense forced a KC fumble and Ryan concluded a 12-play, 47-yard drive with a 1-yard pass to McNeil. Just prior to the half, Ryan hit Al Toon with a TD pass for a 21-6 halftime edge. The Jets nailed the victory on the 1st play of the 2nd half when Kevin McArthur swiped a Todd Blackledge pass and dashed 21 yards for a 28-6 margin. The Jets' defense allowed a season low 241 yards total offense and had 2 sacks, 2 INT and 1 FR.

### 1986 AFC DIVISIONAL PLAYOFF

Jan. 3, 1987—CLEVELAND STADIUM  
CLEVELAND 23, NEW YORK 20 (2 OTs)

In the 3rd longest game in NFL history (77:02), Cleveland staged an incredible comeback to send the game into OT before Mark Moseley's 27-yard FG advanced the Browns to the AFC Championship game. With Pat Ryan at QB, the Jets jumped on top 7-0 following a flea-flicker 42-yard TD pass from Ryan to Wesley Walker. Ryan was forced to leave the game in the 2nd quarter with a groin injury and was replaced by Ken O'Brien. Meanwhile, the Jets defense was outstanding holding the Browns to just 10 points and 302 total yards until late in the 4th quarter. Immediately after a Jerry Holmes interception, the Jets took a 20-10 lead on Freeman McNeil's 25-yard TD with 4:14 remaining in regulation. Kosar led the Browns 68 yards to set up Kevin Mack's one-yard run to make the score 20-17 with 1:57 left. Cleveland's defense forced the Jets to punt with :51 left before Kosar's 37-yard pass to Webster Slaughter to the 5-yard line set up the tying 22-yard FG. The Jets got a 2nd life when Moseley missed a 23-yard FG 6:06 into OT, but he redeemed himself by kicking the winning 27-yard FG on a first-and-goal play from the J9.

### 1991 AFC WILD CARD PLAYOFF

Dec. 29, 1991 - Houston Astrodome

**HOUSTON 17, NEW YORK 10**

The Jets returned to the playoffs for the first time since 1986 and came close to registering an upset win at Houston. Trailing 17-10 with only :20 left at the H47, the Jets were unsuccessful in their attempts to tie the game on 2 Hail Mary passes, the last of which was intercepted to end the game. The game started with Houston taking the opening drive 80 yards in 16 plays for a 7-0 lead. After Erik McMillan's INT halted the Oilers' next drive, the Jets tied the game on Al Toon's 1st TD of the season, a 10-yarder from Ken O'Brien. Warren Moon tossed his 2nd TD pass of the game to Earnest Givins to give the Oilers a 14-10 halftime lead. Three key plays would doom the Jets in the second half. After taking the opening drive of the third quarter down to the H7 in 12 plays, O'Brien's pass intended for Mark Boyer was picked off by Bubba McDowell at the H3. Houston then drove 62 yards in 14 plays for a 53-yard FG to go ahead 17-10. On the Jets' next drive attempting to tie the game from the H3, Brad Baxter was stopped on 3rd and 1 for no gain, and then Freeman McNeil was halted on 4th and 1. The Jets got another shot when Lonnie Young's hit forced Moon to fumble at the H34 with 4:59 left, but the Oilers' defense stopped the Jets on 4 downs. The Jets' defense played extremely well holding the high-powered Houston offense to just 17 points while registering 4 sacks (2 by Mo Lewis), 2 FF and 1 INT. Toon tied for the 2nd most catches by a Jets' WR in a playoff game with 8-96-1 TD.
